Pt II Ln 17a: The organization, since inception, has diligently sought and received public support to accomplish its mission and fund its operations. Most of the monies received outside of public support are from partnering with churches and like organizations to receive funds for mentoring, training and holding events which help the organization accomplish its mission. Public support is solicited via online campaigns, email campaigns & newsletters. Public participation is encouraged through occasional webinars and events held in church client facilities. The governing body consists of couples from three different states from various walks of life with experience in church ministry and governance who participate in a wide range of activities including, but not limited to, civic governance, foundation & business executive leadership, and school board leadership. As a result of these activities and personnel involvements, and since the public support percentage has never been below 20%, the organization meets the "10% facts and circumstances test".
